# 序

編此小冊，旨在反應興教寺的發展狀況，以此來紀念佛教傳入中國兩千年，更爲紀念世界著名佛學家、翻譯家、旅遊家—玄奘法師誕辰一千四百周年，讓我們爲他獻上一瓣心香，對他表示深深的懷念與敬意。更加感謝黨的宗教政策正確落實，以及海內外僧俗對興教寺發展的大力支持，在此向他們表示深深的謝意。

自佛教傳入中國兩千年來，各宗各派的形成、延續、發展，形成了具有中國特色的佛教。任何一宗一派的存在與發展，都與人文環境相適應，這也是佛教得以生存與發展的歷史基石。歷史証明，世間法與佛法相輔相成，互相促進。所以興教寺本著歷史經驗和社會頻繁接觸、交流，以達共同繁榮。興教寺因三藏塔名垂千古而遠播世界各地，同時也決定了興教寺在世界上的崇高地位。國外僧俗團體頻頻來訪、交流，促進了寺裡佛學文化的發展和經濟的繁榮。玄奘法師博學、聰慧、精進、嚴謹治學作風，名騷千古。以及那堅如磐石的愛國主義信念更被后人傳爲佳話。法師的精神早已冲出佛學界，成爲人類共享的寶貴精神財富，激勵著我們四衆生不斷爲社會的繁榮發展奮鬥著。興教寺本著承接傳統、展望未來、開闊進取，爲我國的佛教事業繁榮發展貢獻著我們的智慧和力量，爲淨化我們人類生存環境獻上一份微薄之力。

## 聞名中外的千年古剎歷史由來

據史料記載，唐麟德元年（664）二月五日，積勞成疾的玄奘法師圓寂於陝西宜君縣玉華宮，唐高宗獲悉后，傷痛萬分，啼咽不止，數百弟子哀號慟哭，京城僧俗奔赴哭泣，自發送葬人達數百萬。悲淒之聲彌漫蒼穹。有三萬人竟寄宿墓旁不肯離去。葬禮場面規模宏大，四月十四日葬於錢河東白鹿原。白鹿原恰與唐大明宮遙遙相望，唐高宗李治每每站在大明宮前，不免觸目傷懷，時憫悲思。總章二年（669）高宗下詔，以隆重的儀式和恢弘場面，將玄奘法師遺骨移於樊川東南少陵原畔，移塔建寺。唐肅宗李亨賜塔額「興教」。古剎因此得名興教寺。古剎千年香火未斷。清治年間，除三塔仍不朽地聳立在那裡外，其餘建築均毀於戰火，現今古剎是從民國開始修葺。歷經各國主持僧俗大力募捐修葺而延續到現在。特別在常明方丈帶領下，古剎發展蒸蒸日上，殿宇僧舍倍增，園林美化別具一格，成為了城南不可多得的旅遊好去處。

## 慈恩聞名遐邇，三塔名垂千古

聳立在古柏蒼郁、竹林碧翠，花草芬芳的三塔，秀美而肅穆。風火滄桑千余年，唯有三塔自聳立，她們象閱盡了世間滄桑歷史哲人。唐太宗賜御撰《聖教之序》，使玄奘法師名縱千古，那爛陀寺說法眾僧咸服，著述之豐之偉，天下敬仰，國內外僧俗到此禮塔絡繹不絕。中間最高塔為玄奘塔，又名三藏塔，或稱大遍覺塔，因中宗製影論大遍覺而得名。塔高二十三米，座北面南，是一座最古磚砌木結構塔，塔內供奉清代玄奘法師泥塑像一尊，身披桔紅紫邊袈裟，內著英僧衣，頂掛佛珠，神形兼備，是不可多得的藝術珍品。塔北刻有劉軻撰《大唐遍覺三藏法師玄奘法師塔銘並序》。左右兩小塔分為窺基塔，圓測塔，內供有二師泥塑像，二師的博學、聰慧也是名垂千古，三塔具有極高的文物價值，並在建築學史上都具有極高的研究價值。塔北座有紅柱粉牆小巧堅固大遍覺堂，裡面供奉玄奘法師西去取經時的法像，珍藏有玄奘、窺基、圓測石刻法像，取經行程圖，還有十八羅漢石刻像碑等。唐肅宗李亨賜塔額「興教」，胡子金題塔院曰：「白塔月移山宇影，春松歌唱海潮聲」。這就是著名中外的慈恩塔院。

站在古剎的山路，這地勢開闊居高，放眼遠望，中南奇峰峻嶺，雲蒸霞蔚，氣象萬千，一幅銅鑼多彩的畫卷盡收眼底。廣闊樊川，蒼蒼茫茫，村舍如島，田陌縱橫，滴水蜿蜒，置身此景，或悟出你前所未悟，或會拔亮你智慧之燈，思維開門頓時奔放……今生得此陶冶，寬余足矣，不由發出如此感慨。

## The History of the World Famous Temple

It was recorded that on Jan.5th,664,Xuanzang,a great translator and monk who devoted all his life to spreading of Buddhism doctor in pined away in Yuhua Palace in Yijun,Shaanxi.On hearing the news,Empire Gaozong of Tang Dynasty cried out into tears with tremendous sadness.So did hundreds of his disciples.Millions of people attended the great ceremony of his funeral.When it ended,even 30,000 people refused to leave.Sad atmosphere prevailed all over the country.Later Xuanzang was buried east of the Chan River on the White Deer Plateau,which was just opposite the empire's residence of Daming Palace.This always reminded Empire Gaozong of the sadness of losing such a great master. So in 669,Gaozong ordered the grave to be moved to the side of Shaoling Plateau on the northeast Fan River with glorious ceremony. Thus a tower with Xuanzang's remains was set up which was entitled "Xingjiao" by Empire Suzong which means to glorify the doctorin of Buddhism. A temple was also set up there with the same name. In the thousand years after, the temple was never lack of pilgrims. But unfortunately by the time of Qing Dynasty, all the architectures were destroyed by war except three towers. The rebuilding of the temple began during the Republic of China (1911-1949) and the work had being going on all these years with the money gathered by the managers of the temple as well as its disciples. It is especially during the management of Changming that the ancient temple was greatly enlarged with beautiful gardens added to it, which made the temple a very nice place to spend the free time of the south of the city.

### 古刹清幽、寶相莊嚴、殿宇恢弘

迄今國運日興、文物昌明，興教寺主持釋常明老和尚認真貫徹黨的宗教政策，花開花落、孜孜不倦、竭盡心力重振慈恩宗風，多方籌集資金，對鐘鼓二樓、塔、殿宇、僧舍、山門、垣進行大規模修葺，並建有規模恢弘的臥佛殿，同時旅遊設施齊全，現有客房、客廳、票房、法物流通處等，使寺裡的經濟蒸

蒸日上。寺院裡園林布局別具一格，並廣植牡丹、月季、女貞、冬青、水杉等。院裡四季常青，花香撲鼻、鳥鳴寺靜，院內清幽、典雅，古柏蒼郁，竹林碧翠，微風吹過，響竹疾聲沙沙如雨，特別在經樓后面的櫻花林，更是引遊客注目、留連忘返，櫻花花開時節更是格外璀璨，如明霞散金、彩雲飛渡。人生塵世、幾度奔波，得此寬余陶冶，頓有一種“竹聲拂盡心頭煩”、“紅芳靜綠絕纖塵”、“外無物累，內無妄念”的禪境，清風入內，頓感心曠神怡。

掩映在古柏、竹林、花草之中的殿宇、樓閣更顯莊嚴、肅穆。青磚、青瓦，四角上翹的大雄寶殿、四周圓木紅柱、游廊寬敞明亮。殿內供奉著釋伽牟尼法像，富麗堂皇、滿目金輝，端坐殿中、莊嚴之極，令來往善男信女不由叩頭跪拜。殿裡十八羅漢造型各異、惟妙惟肖、雕刻傳神入化。每年大型法會慶典都在這裡舉行。法堂裡的明代銅鑄彌陀佛像、楠木刻的西方三聖、筆調細膩，是難得的藝術珍品。特別是元代銅鑄千佛繞毗盧古佛像，重達二千七百公斤，工藝高超、寶像莊嚴。法堂內壁嵌有石刻金剛經，為世罕見。此外還有明清韋馱菩薩畫像、十八羅漢畫像、十八觀音畫像等，都非常珍貴。

金碧輝煌的臥佛殿，重檐飛角，雕梁畫棟，脊上各處百獸千姿百態，頂覆琉璃閃金輝，殿內廊玉磚漫，富麗堂皇。殿裡臥佛安祥、自在、大慈大悲、更是活靈活現，雕刻傳神入化，巧奪天工，猶如活佛降世。寺裡佛寶相舉不勝舉，例如：齋堂和禪堂分別供奉有千手觀音、站佛兩尊及四十八臂觀音等，他們神形兼備，精美無比、堪稱一絕。

這裡更有民國時期大居士朱子橋禮塔時得三顆感應舍利子，巴利文貝葉經都視為寺中珍寶。在古柏、櫻花林、竹林簇擁下的藏經樓，明麗典雅，正閣流丹溢彩，紅柱游廊寬敞明亮。樓上掛有民國時期朱潛撰寫的藏經樓匾額，樓裡珍藏經典豐富，《藏經》、唐手抄卷、支那學院刻印的全部經論，近代影印佛經等千余冊，另收藏有世界各國僧俗禮塔拜佛送的錦旗和紀念品，其中日韓居多。供奉有緬甸送玉佛一尊。尼泊爾送木刻佛殿一座。

### The old Temple Tranquil,Buddhas Solemn and Halls Splendid

At present ,our country is prosperous ,cultural relics are in a bright future. So the host of Xingjiao Temple,Shi Changming,an old monk ,has followed the religious policy made by the Party conscientiously.He tried his best to restore the temple day by day,getting money from different people and places to repair the bell tower, the drum tower,pagodas,palaces,monk quarters and the fence of the Temple,and to build a large-scaled Inclining Buddha Hall,complete travelling facilities, such as guest-room, guest-hall, and a variety of Buddhist shop, which had made the Temple richer and richer, and more and more. The structure of the Temple landscape garden is a special one, Chinese rose, glossy privet, Chinese ilex, and metasequoia, and so on. In addition, the Temple is always ever green, full of flowers fragrant and filled with birdsong. It appears as tranquil and nobel. Thriving old cypresses and bamboo forest are both singing as "sa, sa" with the wind. Its special landscape, back of the Buddhist's scriptures tower attracts visitors so much that they will leave for cherry's flowering like rosy clouds flying and thrushes singing. At the first glance of them,people in a sudden would feel a Buddha feeling at the bottom of hearts. They would feel such a Buddha feeling that the sound of bamboo, the red flower and the green leaves, which make them feeling tired for the trifles and seldom have such an opportunity to see themselves. After a gentle breeze, people immediately have their minds clear.

Palaces and towers, hidden by old cypresses, bamboos and flowers now especially appear solemn. The precious Mahavira Hall with black bricks and tiles and the four up-standing angles of the roof, the round and red pillars, and the corridors are all spacious and bright. There consecrates Sakyamuni Buddha in the Hall. They are so splendid and golden, and sit so solemnly that those Buddhist devotees can't help kneeling down and worshipping. The Eighteen Buddhism arhats in the Hall have different modellings and are strikingly true to life. The annual celebration of the great gathering will take place

there. In the Hall for preaching the Buddhist doctrine, the copper Buddha of Maitreya, made in Ming Dynasty, the three greatest western Masters, exquisitely sculptured with nanmu, are all precious art treasures. Especially the old copper Buddha consisted of a thousand little Buddhas around a post, made in Yuan Dynasty, has a unbelievable weight of 1,350 Kilogram. It's rare in the whole world that there are scriptures of stone Buddha's warrior attendant set in the wall. Above all, there are still some pictures of Weituo and Bodhisattva draved in Ming and Qing Dynasty. The splendid Inclining Buddha Hall, with flying angles of piled roofs, carved beam and pictured ridge pole, in which hundreds of animals have different facial expressions and gestures, has a splendid coloured gaze roof and brick-tiled floors in and out of the hall. The inclining Buddha seems as serene, easy, infinitely compassionate and merciful. What's more, it looks like a true and lively Buddha in the hall for its vivid sculpture of wonderful workmanship excelling nature. There are uncountable Buddhas in the Temple,

which are so precise and lifelike as to be regarded as a superbness. The more precious is the three feeling Buddhism which were donated by Zhu Ziqiao, a lay Buddhist during Minguo Period, when he visited the tower, and also the Bariwenbiya Scripture, the tower of collecting scriptures, surrounded by old cypresses, cherry and bamboo is bright and splendid for the Hall, the red pillars and the corridors. A horizontal inscribed board of collecting scriptures, written by

Shu Qian during Minguo Period, is now hung over the door. There are also enomaraus other precious scriptures, including more than 1,000 Collecting Scriptures, handwritten copy scriptures of Tang, and filmed scriptures of modern times.

For this reason the temple became the center as well as a bridge for Buddhism culture in Asia and even the world and has a high status in the world's Buddhism culture. All these years it's a holy place for pilgrims in China and overseas. Even the VIPs of all kinds of historical period came here to salute the tower. Among them there are Kang Youwei, Zhu Qiang, Kang Jiyao and Zhu Ziyao of the late Qing Dynasty who donated for it, the famous poets Gao Shi, Cen Zhen of the Tang Dynasty who made poems of it and in Mingmo Period, Jiang Jieshi, Yang Huchen, Dai Jitao, Li Zongren and Fu Zuoyi who paid great attention to it and had donated for the rebuilding of it. Since Liberation, the leaders of the PRC such as Premier Zhou, vice Premier Chen Yi, have both come to inspect it. Soon afterward in 1962, the temple became one of the most important historical artifact protection unit. Even during the Culture Revolution, it suffered far more less than other sites of historical interests. Recently there's also quite a lot of VIPs who came to visit it. Among them, there are PRC leaders such as Wu Bangguo, Zou Jiahua, Li Tieying and Wang Guangying, VIPs of the culture and art field such as scriptwriter Tian Han, and scholar Zheng Zhenduo, etc. The temple even had attracted quite a lot of Buddhists as well as non-Buddhists from overseas. Niheln, the foreign minister Qianda and the prince from India, Primer of Sri Lankan, the chairman of the democratic Republic of Vietnam Hu Zhiming and vice chairman of the Southern National Alien of Vietnam Shidinhou had all came here to visit and worship the tower. On the 1,300th anniversary of Xuanzang's, people from all over the world flooded in to participate the great ceremony, especially those who came from the eight countries of Southeast Asia (India, Burma, Nepal, Vietnam, Laos, Thailand, Sri Lanka, Cambodia, etc) who had formed a Buddhists delegation to worship the tower and take part in the ceremony on June 28th, 1964. The politicians and Buddhist delegation also came to visit frequently, among them there's head of Japanese Representative Dao Tianyi. In 1984 on the 1,320 anniversary ceremony of Xuanzang's, a great gathering was held, for 30 people from Yaoshi Temple in Japan holding the skull bone of Xuanzang's in a precious box traveled in China according to the route by which Xuanzang had traveled to get the manuscripts of Buddhism. That is the road in Gansu, Qinghai and Xinjiang Provinces in China. And at last when they came to Xijiao Temple, Monk Changming came out to the gate to welcome the remains of Xuanzang to place it in the Mahavira Hall for worshipping. In 1991, the Temple of Yaoshi in Japan donated 1,200,000 RMB to Xingjiao Temple to help it to built the magnificent Hall of Inclining Buddha. Just in front of the hall a big tripod made of rare iron signifying the long lasting friendship between the two countries was placed there. 1992 was the year when Sino-Japan relationship has been established for 20 years. So Japan's Asia culture exchange committee gave Xingjiao Temple four hundred oriental cherry trees as a gift. Therefore a stone tablet was set up to memorize this event. On it the words "Sino-Japan Friendship Forever" was carved, which was written by Zhao Puchu. On the opening ceremony of the Inclining Buddha Hall, about 350 Japanese Buddhists were there to witness it on Mar. 15, 1994. Japanese artists had also performed there. It was really a great scene there. On June 30, 1998 Korean Buddhists Group donated a bell to the Temple when the tower was being rebuilt. For this reason a gathering was held between the Chinese and Korean Buddhists. Hongkong Buddhists are also among the frequent visitors. During 1985 --- 1995 the most famous HongKong Buddhist, Monk Shengyi have been here many times and the donation of his can be added to 10,000 RMB. Not only do those overseas people came to us frequently, but also we to overseas. The Manager of Xijiao Temple, Monk Shi Changming, permanent director of China's Buddhists Commission has been visiting Japan, Korea, Taiwan and Hongkong frequently to develop the friendship between Chinese Buddhists and overseas Buddhists. Not only do the foreign friends donate to us, but we also to them. In Indian there's a Memorial Hall for Xuanzang which was donated by Chinese government. In 1996 Buddhist Abbot Shi Changming had attended the founding stone laying ceremony of the "China Temple" in Nepal.

性境現量通三性  
五识同依净色根  
变相观空惟后得

眼耳身三二地居  
九缘七八好相邻  
果中犹自不诤真

遍行别境善十一  
合三离二观尘世  
圆明初发成无漏

中二大八贪嗔痴  
愚者难分识与根  
三类分身息苦轮

三性三量通三境  
性界受三恒转易  
发起初心欢喜地

三界轮时易可知  
相随心等总相连  
俱生独自现缠眠

相应心所五十一  
动身发语独为最  
远行地后纯无漏

善趣临时别配之  
引满能招业力牵  
观察圆明照大千

带质有覆通情本  
恒审思量我相随  
极喜初心平等性

随缘执我量为非  
有情日夜镇昏迷

八大遍行别境慧  
四惑八大相应起

性惟无覆五遍行  
浩浩三藏不可穷

紫竹林辟于隋代，興于唐代，毀于十年浩劫。而今在常明老和尚主持重修下，紫竹林的“殿宇宏偉，法像莊嚴”歷史風貌得以再現，現建成五間宏偉大殿，鑄造漢白玉佛，銅鑄幽冥鐘等。寺裡香火日漸旺盛，善男信女紛紛朝拜于此。

從聖宗禪師小詩“前有長安明燈照，后有松屏隨便靠，左有甘泉清香美，右有石蓮登遠眺。”可見紫竹林風光秀麗，風景旖旎，道場殊聖。聖宗、果初、常慧、常明等名僧均主持過紫竹林。

複從王維“曲徑通幽處，禪房花木深，山光悅鳥性，潭影空人心。”足可領略萬裡終南之奇美，殊聖。

紀念佛教傳入中國二千年，慶賀玄奘法師誕辰一千肆百周年，頌揚玄奘法師聖事，使海內外讀者更多了解興教寺歷史沿革，佛教文化、佛教知識。我們倉促編印此小冊，編寫時參考了樊耀亭先生編寫的《興教寺》和《陝西名勝古跡》等書籍。鑒于興教寺為千年古寺，屢有興廢，有許多珍貴的歷史資料未能尋到，令我們甚為遺憾。（如周恩來、陳毅等中央領導以及印度總統尼赫魯、越南民主共和國主席胡志明等國外友人來寺）只能以文字材料以飡讀者。

因時間倉促，水平有限，不足之處，敬請不吝指正。
